Dear Healthcare Professional,

I would like to welcome you to the 2017 edition of Arab Health Congress taking place from 30 January – 2 February at the Dubai International Convention Centre.

We are pleased to announce four brand new tracks to the line-up for 2017, including: Oncology, Emergency Medicine, Business forum: Regulation & Licensing and Workforce Empowerment.

Back by popular demand, the congress will also feature 4 days' worth of content for 3D Medical Printing and Public Health Forum, which will have a specific focus on Preventive Medicine.

The congress features 14 different conferences, with a mix of clinical (CME credits provided by Cleveland Clinic) and non-clinical conferences, bringing together locally and internationally acclaimed speakers to discuss, showcase and share their experiences and insights into the latest methods, developments and technologies in the healthcare industry.

Register today to take advantage of the early bird rates as well as securing your space as places are limited! You can contact the registration team on **+971 4 336 7334** or email **ahcongress@informa.com**.

Alternatively, complete the online registration form at: www.ahcongress.com.

We look forward to welcoming you to Arab Health Congress 2017.
Kind regards,

Sally Thompson

Head of Production - Arab Health Congress

PS: The 5th Middle East Diabetes Conference will take place alongside this year's MEDLAB Congress, held from 6-9 February 2017. Detailed agenda to be made available shortly. Please check the website for more information. www.medlabme.com/diabetes

Prof Dr Guy Frija, Chair ESR EuroSafe Imaging, Professor of Radiology, Imaging Department, Hospital Europeen Geroges Pompidou, Paris, France
- 10:30 Coffee break**

SESSION 9: CARDIAC IMAGING

Moderator: Dr Moulay Meziane, Head of Radiology, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

- 11:00 Cardiac CT after treatment**
Prof Dr Christian Loewe, Head of Clinical Division for Cardiovascular and Interventional Radiology, Department of Biomedical Imaging and Image Guided Therapy, Medical University of Vienna, Vienna, Austria
- 11:30 Challenging patients, FFRct and perfusion CT – The new era of Cardiac CT**
Dr Gianluca Pontone, Director of MRI and Deputy Director of Cardiovascular CT, Centro Cardiologico Monzino, University of Milan, Milan, Italy
- 12:00 Cardiac CT in the challenging patient**
Prof Dr Christian Loewe, Head of Clinical Division for Cardiovascular and Interventional Radiology, Department of Biomedical Imaging and Image Guided Therapy, Medical University of Vienna, Vienna, Austria
- 12:30 Lunch break**

SESSION 10: THORACIC IMAGING

Moderator: Dr Moulay Meziane, Head of Radiology, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

- 14:00 Interpretation of mediastinal disease on the chest radiograph**
Dr Judith Babar, Consultant Radiologist, Addenbrooke's Hospital – Cambridge University Hospitals NHS Foundation Trust, Cambridge, UK
- 14:30 CT Screening for lung cancer**
Dr Naghma Nawaz, Deputy Chair Radiology, Program Director Radiology Residency Program, Radiology Department, Sheikh Khalifa Medical City, Abu Dhabi, UAE
- 15:00 Imaging of thoracic trauma**
Dr Judith Babar, Consultant Radiologist, Addenbrooke's Hospital, Cambridge University Hospitals NHS Foundation Trust, Cambridge, UK
- 15:30 Coffee break**

SESSION 11: MUSCULOSKELETAL RADIOLOGY

Moderator: Dr Abdulla El Remaithi, President of Emirates Radiology Society, Head of Radiology, Zayed Military Hospital, Abu Dhabi, UAE

- 16:00 Demystifying intrinsic and extrinsic ligaments of wrist**
Dr Ghazala Malik, Consultant Musculoskeletal Radiologist, United Lincolnshire Trust Hospitals, Lincolnshire, UK
- 16:30 How to avoid pitfalls in musculoskeletal imaging**
Dr Abdulla El Remaithi, President, Emirates Radiology Society, Head of Radiology, Zayed Military Hospital, Abu Dhabi, UAE
- 17:00 MR imaging of ankle and foot**
Dr Gamal Mahgoub, Consultant Radiologist, Abu Dhabi Police Medical Services, Abu Dhabi, UAE
- 17:30 Systemic Approach For Bone Dysplasia**
Prof Hassan El Kiki, Professor of Radiology, Paediatric & Interventional Units, Cairo University, Cairo, Egypt
- 18:00 End of day three**

SESSION 12: NEURORADIOLOGY

Moderator: Dr Mohamed Abdel Nabi, Clinical Lead Radiologist, Qatar National Breast Screening Program, Doha, Qatar

- 09:00 State of the art conventional and metabolic functional imaging approach to multiple sclerosis and its mimics**
Dr Yasser Abbas, Professor of Radiodiagnosis, Ain Shams University; Director of MRI section, Misr Radiology Center, Cairo, Egypt
- 09:30 Neoplastic and non-neoplastic applications of diffusion tensor imaging in neuroradiology**
Prof Ahmad Abdelrazek, Professor of Diagnostic Radiology, Faculty of Medicine, Mansoura University, Mansoura, Egypt
- 10:00 Functional and metabolic MRI applications and applications for spinal cord lesions**
Dr Yasser Abbas, Professor of Radiodiagnosis, Ain Shams University, Director of MRI section, Misr Radiology Center, Cairo, Egypt
- 10:30 Coffee break**

SESSION 13: RADIOGRAPHERS' SESSION III - RADIATION SAFETY II

Moderator: Aadela Agherdien, Radiology Supervisor, Tawam Hospital, Al Ain, UAE

- 11:00 Education and training in fluoroscopy-guided procedures: what, who and how**
Prof Graciano Paulo, Past President, European Federation of Radiographer Societies, Professor, Instituto Politecnico of Coimbra, Coimbra, Portugal

Wadha Mohammed Ali Al Shamsi, Medical Physicist, Clinical Imaging Institute, Al Ain Hospital, Al Ain, UAE
- 12:00 The impact of using active dosimeters on occupational exposure in Interventional Radiology**
Prof Graciano Paulo, Past President, European Federation of Radiographer Societies, Professor, Instituto Politecnico of Coimbra, Coimbra, Portugal
- 12:30 Lunch break**

SESSION 14: SCIENTIFIC SESSION

Moderators: Dr Mohamed Abdel Nabi, Clinical Lead Radiologist, Qatar National Breast Screening Program, Doha, Qatar
Prof Dr Michael Fuchsjaeger, Professor and Chairman of General Radiology, Medical University of Graz, Graz, Austria

- 13:30 Evaluation of patient dose saving in grid-less X-ray mammography acquisition compared with full field digital mammography (FFDMG) acquisition**
Dr Ahmed Jibril Abdi, Medical Physicist, Clinical Engineering Department, Section of Imaging, Odense University Hospital (OUH), Odense, Denmark
- 13:45 Whole body MRI for evaluation of extra-pulmonary tuberculosis**
Dr Anoop Kumar Pandey, Specialist Radiologist, Aster Hospital, Dubai, UAE
- 14:00 Imaging of pulmonary tuberculosis: an update**
Dr Jung-Gi Im, Professor Emeritus, Department of Radiology, Seoul National University College of Medicine, Consultant Radiologist, Sheikh Khalifa Specialty Hospital, Ras Al Khaimah, UAE
- 14:15 Imaging of phakomatosis**
Dr Adel El Bery, Consultant Radiologist, Clinical Imaging Institute, Al Ain Hospital, Al Ain, UAE
- 14:30 Coffee break**

SESSION 15: TOTAL RADIOLOGY'S WILHELM CONRAD ROENTGEN LECTURE 2017

- 15:00 Introduction of distinguished speaker**
Prof Dr Michael Fuchsjaeger, Professor and Chairman of General Radiology, Medical University of Graz, Graz, Austria
- 15:05 State-of-the-art cardiothoracic CT in children - where are we?**
Prof Dr Catherine Owens, President, European Society of Paediatric Imaging, Consultant Radiologist, Reader, University College London, London, UK

SESSION 16: PAEDIATRIC RADIOLOGY

Moderator: Prof Dr Hatem Abou EL Abbass Ghonim, Senior Consultant and Lead Radiologist, Al Jalila Children's Specialty Hospital, Dubai Health Authority, Dubai, UAE

- 15:40 Paediatric abdominal imaging**
Prof Hassan El Kiki, Professor of Radiology, Paediatric & Interventional Units, Cairo University, Cairo, Egypt
- 16:10 Imaging of hip pain in children**
Dr Abdulmunhem Obaideen, Head of Medical Diagnostic Imaging, Associate Professor of Radiology, University Hospital Sharjah, Sharjah, UAE
- 16:40 Ciliopathies in paediatrics: a radio-clinical overview**
Dr Kamaldine Oudjhane, Associate Professor, Department of Medical Imaging, University of Toronto, Toronto, Canada
- 17:10 Imaging in small airways disease in children - the small and silent killer**
Prof Dr Catherine Owens, President, European Society of Paediatric Imaging, Consultant Radiologist, Reader, University College London, London, UK
- 17:40 End of conference**

1 – 2 February 2017

8TH MIDDLE EAST QUALITY MANAGEMENT CONFERENCE

*Strategies and best practice to expand
quality: Educate. Enable. Engage*

WHAT'S NEW?

- » Case study session featuring local quality management practitioners
- » International panel discussions on quality in ambulatory care and improving healthcare through collaboration

KEY TOPICS:

- » Managing large scale change
- » Overview of the changes to the 6th edition of Hospital Accreditation Standards
- » Upcoming changes to the survey process / programme
- » Understanding quality and safety problems in the ambulatory care environment
- » Patient safety and quality of care beyond the hospital
- » Tips for driving clinical transformation
- » Clinical decision support

WHO SHOULD ATTEND?

- » Head of Quality
- » Chief Quality Officers
- » Quality Managers/Specialists
- » Senior Director Quality Improvement
- » Quality Specialists
- » Internal Medicine and Subspecialties Physicians
- » Patient Safety Officers
- » Risk Managers

BENEFITS OF ATTENDING:

- » Discuss the latest update on the 6th edition of the Hospital Accreditation Standards
- » Review the latest best-practices in ambulatory care quality management
- » Gain clarity on how clinicians can be empowered to drive improvement
- » Improve quality management strategies within healthcare facilities across the GCC
- » Review updates on change management in healthcare

Wednesday, 1 February 2017 DAY ONE

08:20 Opening remarks
